

Constructions et angles...

Attention : toutes les figures de cette page sont des "dessins faux". Il ne faut vous fier qu'aux indications (mesures et symboles). Les dessins que vous obtiendrez n'ont aucune raison de ressembler à ceux-ci...

Pour cette figure, on demande de mesurer tous les angles, et de compléter le tableau ci-dessous...

\widehat{ABC}	\widehat{BCD}	\widehat{CDE}	\widehat{DEF}	\widehat{EFG}	\widehat{FGA}	\widehat{GAB}	Somme des 7 angles :
